"We all had a fantastic time...thoroughly enjoyed being eye-to eye with the Spitfire and Vulcan pilots from the Shoreham Air Show  
My nephew Robert died from cancer in December 2008 at the age of 42. He spent his last few weeks at the Martletts who obviously cared for him to the utmost, but also just let him have those weeks as he had lived, a bit on the wild side! He was a Brighton phenomenon, know to most on the Brighton music scene as a musician, founder of the band Daddy Fantastic and a talented cartoonist. Two of his cartoons are reproduced on the banner. Team Fantastic's members for this walk included his sister and my husband as well as friends who kindly joined in and have done a lot of fundraising. As you say we just have to get the money in now! Team Fantastic will be walking again in September as part of the Relay For Life in Hastings and the team will include another of Robert's aunts, his parents and two of his close friends from Brighton, as well as other friends. Thank you for organizing the day and I hope to be with you again next year."
